We Need YOUR Help!

We are asking you to please look through your old family photos to help us add to our collection of historical photos/events related to Hartland.

It's Easy!

We'll provide FREE digital scanning of your old photos at the Hartland Historical Society's Ireland Cemetery Benefit Supper on Saturday, October 20th at the Hartland Elementary School from 2pm-6pm. Bring them along as you enjoy a historical presentation of old printed photos, displays and a great meal and you'll get them right back as soon as they are scanned!

Can't Make It To The Event?

No Problem! We'll have a special FREE photo scanning session on Saturday, October 6th at the Hartland Public Library from 10am to 1pm! Bring your photos in and we'll get them scanned for you in a jiffy!

Don't Forget!

Many times the photos of little Johnny marching in the parade in 1970 or Aunt Millie at a family gathering in 1932 contain background settings from Hartland which could be invaluable to our collection so also take a look at what's in the background as you look through your family photo albums.

Important Note!

Photos scanned and contributed to the Hartland Historical Society may be used in the future for public events, fund raising benefits, promotional publications or reproduced for sale (with all proceeds going to HHS).

Thank You!

Your family photos could be an important part of sharing, preserving and maintaining the history of Hartland. Even just a couple photos from you would be a great benefit to our town's historical photo collection.
