5.) Other

Cemetery Lot Fees---Chris reported that a resident from Palmyra who owns property in Hartland wanted to buy a cemetery lot as a Hartland resident. We sell lots for \$100.00/lot for a resident and \$200.00 for non-resident. Chris denied the request because the standard for deciding the lot price is based on what your driver's license says. The individual's license said Palmyra. Motion made to continue to follow state statute using driver's license as the guide for determining residency voted 2-0 to accept

Plowing boat landing--- Chris stated that the boat landing is owned by the State and technically we should not be plowing it. However, there is a great deal of use and there could be a vehicle control problem in the winter if we don't plow. Motion made to continue to plow the landing voted 2-0 to accept.
