

Town of Hartland, Maine 2020 Annual Town Report

Irving Tanning Community Center
Built in 1999
The following statement was made at
the dedication celebration:

“The mission of the Irving Tanning Community Center is to provide wholesome social, educational, and recreational outlets for the citizens of the tri-town, MSAD #48, and surrounding areas. Although serving area children and youth is our primary focus, we encourage and support any activities that will enhance the climate of our area.”

Hartland Town Report Dedication to Mr. Libby

The Selectman would like to dedicate the 2020-2021 Hartland Town Report to Wayne Libby. Wayne has given over 60 years of service to our community in numerous positions. Many of us know him as a Teacher or Coach, he is a retired Colonel from the United States Army Reserve, Trustee and Chairman of the Board for the Hartland Public Library, he has been a longstanding member of the Hartland & St. Albans Lions Club, served at the Grace-Linn Methodist Church and has served in many other positions throughout the years to make Hartland a better place to live. Please join us in thanking Wayne for his incredible service to our community.

TOWN OF HARTLAND
SECRET BALLOT ELECTION &
TOWN MEETING WARRANT
Friday, April 30, 2021
And
Saturday, May 1, 2021

To: Freeman Ramsdell, a resident of the Town of Hartland, County of Somerset, State of Maine.

GREETING:

In the name of the State of Maine, you are hereby required to notify and warn the Inhabitants of the Town of Hartland in said county and state, qualified by law to vote in town affairs, to meet at the *Irving Tanning Community Center*, in said Town on **Friday, April 30, 2021** A.D. at **ten o'clock** in the forenoon, then and there to act on Articles 1 and by secret ballot on Article 2 set out below, the polling hours therefor to be from **10:00 AM** until **7:00 PM** in the evening;

And, to notify and warn said inhabitants to meet at the *Irving Tanning Community Center*, in said Town on **Saturday, May 1, 2021** A.D. at **nine o'clock** in the forenoon, then and there to act on Articles 3 through 27 as set out below, to wit:

Art. 1: To choose a moderator to preside at said meeting.

Art. 2: To elect (1) Selectman/Assessor/Overseer of Poor for a 3-year term;
To elect (3) Budget Committee Members for a 3-year term.

Art. 3: To see if the town will vote to authorize the Board of Assessors to apply \$100,000 of the undesignated fund balance to reduce the 2021-2022 tax mil rate.

Art. 4: To see if the Town will vote to authorize the Board of Selectmen to apply \$10,000 of the undesignated fund balance to the Fire Department reserve account and expend up to an additional \$30,000 of the undesignated fund balance for building repairs for a total use of \$40,000 from the undesignated fund balance for the Fire Department.

Art. 5: To see if the town will vote to authorize the Municipal Officers to accept and expend any or all funds or property from Federal, State or private funding in the form of grants or donations, public or anonymous that the Municipal Officers deem appropriate and in the best interest of the Town.

Art. 6: To see if the Town will vote to authorize the Municipal Officers, on behalf of the Town to sell and dispose of any real estate acquired by the Town for non-payment of taxes and/or sewer liens thereon, “Except that the Municipal Officers shall use the special sale process required by 36 M.R.S. § 943-C for qualifying homestead property if they choose to sell it to anyone other than the former owner” and on such terms as they deem advisable to execute quit-claim deeds for such property.

Art. 7: To see if the Town will vote to authorize the Municipal Officers to dispose of equipment, vehicles or furniture no longer necessary to Town operations that the Municipal Officers deem appropriate and in the best interest of the Town.

Art. 8: To see if the Town will vote to establish Sept 15 & Mar 1 due dates on taxes, and set the interest rate at 6% that shall be applied after the due dates.

Art. 9: To see if the Town will vote to authorize the Tax Collector to accept prepayments of taxes not yet committed, pursuant to 36 M.R.S.A., sec 506.

Art. 10: To see if the Town will vote to authorize the Selectmen to borrow money in anticipation of the ensuing year’s taxes, if necessary.

Art. 11: To see if the Town will vote to authorize the Selectmen to serve as Assessors and Overseers of the Poor.

*****Draft Copy*****

To: The Citizens of the Town of Hartland,

Thank you for the privilege to serve our community.

TOWN OPERATIONS

In March of 2020, the COVID 19 Pandemic hit the world. It was an overwhelming change for many of us. Mandatory masking was dictated along with Social Distancing at six-foot intervals. Businesses, social events, churches were shut down around the world to protect the health and safety of all. The cost to the Town of Hartland was extreme. The Tasman Leather Group, LLC shut down their manufacturing operations due to COVID 19. We lost 115 jobs over a few months. Therefore, negatively impacting our small businesses around town. We also had a celebration planned for our 200th Anniversary. Many activities were planned and had to be cancelled. Video/Web conferencing became the new normal for all of us. All generations got thrown into the tech/computer world literally overnight. The Town of Hartland was able to maintain services throughout by servicing citizens through the drive thru window and by the mail.

HARTLAND LANDFILL

A Town Meeting was supposed to happen to report the following plans to the public; a landfill capacity plan, a closure plan, and a funding plan all of which got delayed due to COVID-19 and an Appeal filed by the HEAT group with the Department of Environmental Protection appealing our updated landfill license. Our goal is to construct additional cell capacity to try to minimize taxation over time.

HARTLAND POLLUTION CONTROL FACILITY (HPCF)

Our project at the plant is still underway with 90 percent of phase I completed. The funding package has grown to \$14,602,002. Phase II has changed with the loss of the TSS and BOD loadings and flows of the Tannery. We are concentrating on energy efficiency of the building and improving our septage processing abilities.

OUR GOALS FOR 2020/2021

Support projects at the Hartland Consolidated School	In Progress
Seek funding for Commercial Street Sewer Projects	No Progress
Continue Road Work	In Progress
Get Remaining Irving Tanning properties back onto the Tax Rolls	Delayed
Secure funding and buildout the Remaining Capacity at the Landfill	In Progress
Buy Construction and Demolition Debris Grinder for the Landfill	In Progress
Get Construction going on Phase II at the HPCF	In Progress
Have our own HPCF Superintendent vs. Contract Superintendent	Done
Create a TIFF for the Hartland Consolidate School Property (KVCAP)	Done
Work with the Focus Group on Town improvement projects	Delayed
Transfer Station relocation Feasibility study	Delayed

OUR GOALS FOR 2021/2022

Complete much of 2020/2021 list
Seek Industry for Tannery Buildings

Thank you to all our staff for your hard-work and dedication!

Sincerely

Chris Littlefield, Town Manager
Judith Alton, Chairman of the Board
John Hikel, Selectman
Mark Brooks, Selectman

Assessor's Office

The Office of the Assessor is charged by State law with discovering, describing, and valuing property, as well as the ownership of that property, for the purpose of taxation. To raise the funds for the budget approved at Annual Town Meeting, the Assessor prepares a list of these properties and commits the assessments to the Treasurer for collection. The records compiled by the Assessor are made available for public inspection at the Town Office. The Office of the Assessor then submits an annual report to the Maine Revenue Service.

Tax Year: July to June
Assessment Date: April 1st
Assessment Ratio: 89%

Property Tax Reduction Programs

Homestead Exemption– The Homestead exemption reduces the property tax bill of a residents who apply for the exemption by April 1st and who have owned and lived in their home for the prior 12 months. The exempt amount of \$25,000 is deducted from the property's total taxable value. Applications can be obtained at the Town Office or at Maine Revenue Services and must be filed on or before April 1st of the year the exemption will go into effect.

Veteran's Exemption – A resident who was in active service in the armed forces of the US during a federally recognized war period and, if discharged *or* retired under honorable conditions, may be eligible for a \$6,000 reduction in valuation. The veteran must have reached age 62 or be receiving a pension or compensation from the US Military for total disability. Applications can be picked up at the town office or at Maine Revenue Services and must be filed with discharge documents (DD214) on or before April 1st of the year the exemption will go into effect.

Blind Exemption – A resident who is certified to be legally blind by their eye care professional is eligible for a \$4,000 reduction in valuation. A letter from your eye care professional must be filed by April 1st of the year the exemption will go into effect.

Tax Billing

The Town of Hartland commits Taxes every year either late July or early August. The Tax due dates are always 9/15 & 3/1. Interest starts 9/16 & 3/2. Per state law we have to lien any unpaid taxes within 8 to 12 months of date of commitment. Per state law automatic foreclosure is 18 months form date of lien.

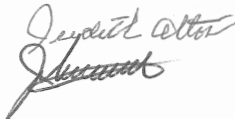

Abatement Request

Application for abatement of property taxes can be picked up at the Town Office or downloaded from the Maine Revenue web site. Abatement request must be made within the first 185 days of commitment. Maine Revenue Property Tax Bulletin No. 10 explains the laws of an abatement.

Please feel free to contact Rick Thibodeau, Assessor's Agent with any questions or appointment schedules at 207-938-4401.

Sincerely,

Board of Assessor
Judith Alton
John Hikel
Mark Brooks

To the Residents of Hartland:

I want to thank you for allowing me the privilege of serving as Town Clerk and Registrar of Voters. The position of Town Clerk is a challenging one and one that I take very seriously. I look forward to assisting you in any capacity that I can, so please feel free to contact me. I can be reached during normal business hours at 207-938-4401 or by email at hartlandmainetownclerk@gmail.com.

DOGS:

Dogs must be licensed yearly. Licenses are available October 15th. Non-altered dogs are \$11.00 and altered dogs are \$6.00. A late fee of \$25.00 per dog begins February 1st. Any dog that remains unregistered may also be summonsed to court by the Animal Control Officer...so please don't delay! These fines and deadlines are required by state law and cannot be waived locally.

2020 Dogs licensed: 210 2019 Kennels licensed: 1

VITAL RECORDS:

The State of Maine Office of Vital Records has implemented a state-wide electronic system for all births, deaths, and marriages. Currently all births and deaths are handled at the state level, but can still be obtained at the local level for the convenience of residents. One certified copy of a vital record is \$15.00 for the first record and \$6.00 for each addition record purchased at the same time. An application to request a record along with proof of identification is required in order to purchase a record or obtain any information on a record.

2020 Births: 19 2020 Deaths: 31 2020 Marriages: 7

CLERK COUNTER ANNUAL ACTIVITY: 2019 Transactions

Boat Registrations:	244	ATV Registrations:	143
Snowmobile Regs:	122	Hunt/Fish License:	144
Vehicle Regs:	1850	Vital Records:	109
Tax Payments:	3298	ME Water Payment:	296

ELECTIONS – To be held at I.T.C.C. Building.

Annual Town Election will be held Friday, April 30, 2021

Annual Town Meeting will be held Saturday, May 1, 2021

Triss A Smith

REPORT OF THE CODE ENFORCEMENT OFFICER AND THE PLUMBING INSPECTOR

It continues to be my pleasure to serve the Town of Hartland as its Code Enforcement Officer and its Plumbing Inspector. There were 71 Land Use Permits issued in 2020. There were 28 Plumbing and septic permits issued in 2020. The Land use permits were up by about 30, the Plumbing and Septic were about the same as the year before. There were some minor violations but the problems were corrected. Please remember that the Towns people enacted all of the Towns Ordinances to preserve everybody's property rights. If you need help or have any questions please feel free to contact this office.

Respectfully,

Al Tempesta

Hartland Volunteer Fire Department

“I think a hero is an ordinary individual who finds strength to persevere and endure in spite of overwhelming obstacles”

-Christopher Reeve

Your members of the Hartland Volunteer Fire Department are happily offering the citizens of Hartland this annual report for the fiscal year of 2020. The department would like to thank the Town of Hartland citizens, our local businesses, the Board of Selectmen and the Town Manager for all your support and for giving us the opportunity to serve the Town of Hartland. Our main goal is to give the best service we can to our citizens and businesses and we wouldn't be able to if it weren't for all your support and dedication to help make this town as great as it is today.

The year 2020 has been hard on everyone and in many ways. While it has taken a toll on the department and has given us more obstacles to overcome, it has never stopped us from serving our town with the excellence it deserves.

Each firefighter on the department has gone above and beyond to help the community throughout the year and it is greatly appreciated. The fire members of the department have proved the quote to be true again and again throughout the years. I would like to thank them all for their hard work and dedication to the department and the community. Without them being willing to drop everything in their personal lives, we wouldn't be able to serve the community the way we do.

Lastly, I would like to thank you all for allowing me to be your Fire Chief. It is a great honor to lead this team of firefighters and serve this community.

Charles Gould, Hartland Fire Chief

Mr. Michael Hammer, Superintendent of Schools
mhammer@rsu19.net

February 1, 2021

Citizens of RSU 19,

It goes without saying that 2020 was a difficult year for our schools. With this being said, we have been very lucky to keep our schools running under a hybrid style of instruction. Many of our students attend in-person four days a week with other groups alternating two days a week schedules. We also have a large number of students that are attending school full time remotely. Upon writing this, we've had a combined total of 15 confirmed Covid 19 cases, 8 students and 7 staff members.

Along with the Covid restrictions came extra school support in terms of short term grants. We have received 2 ESSER (Elementary and Secondary Schools Emergency Relief) Grants and two Cares Relief Funds (CRF) Grants. We have actually received substantial funding through these grants; however, the timeline for securing and expending funds for staff, supplies, equipment and programming was/is very tight.

The requirements for spending this money were 1) regular budget items could not be supplanted, 2) items/services/equipment were to be directly related to Covid 19 and the 6 safety expectations from the Department of Education. Lastly, the supplies, equipment, and services originally had to be planned, ordered and in-service by December 30, 2020. The dispensing/purchasing/planning timelines for ESSER II have been extended until 2023.

The administrators and department leaders worked to purchase goods and services that would serve our students for as long as possible. People may have heard about an ice rink, hiking trails, a pavilion and upgrades to existing buildings. Again, these expenses could not have been used for previously budgeted local funding.

We plan an upgrade in ventilation at the Etna/Dixmont/Plymouth School with ESSER II funds, this will be a substantial project that would have been a large burden on the District. We also purchased services and materials for multiple outdoor learning spaces that will serve all students well into the future. No determination has been made on what our plan for return to school in the fall will look like. It may be necessary for us to use ESSER II funds to support the needs of our students that were necessary due to a longer Covid 19 response.

The forecast for the upcoming budget is difficult as the state has determined it has reduced revenues. Overall, we will be receiving more money from the state; however, the local shares are yet to be determined. The Finance Committee will have meetings throughout the spring on Monday nights at 6:30 pm. These meetings will most likely be virtual; check in on the District Events section on our website at www.rsu19.org to access these meetings.

We look to provide the best possible education for our students and we are expecting that 2021 will give us the opportunity to return to full in-person instruction and renewed hope to return to a new normal.

All the best,

Mr. Michael Hammer, Superintendent RSU 19

January 1, 2021

Dear Citizens of Hartland, Palmyra, and St Albans,

The Irving Tanning Community Center started off with a bang this year. We were hosting many music events, hunter safety, enrichment classes, and a robust sports program. Also many citizens from our 3 communities rented our facility for their personal use. This year our Tri-Town Rec Committee was very busy with their sports offerings of Soccer, Basketball, Cheering, travel team basketball, as well as travel team softball. Even though it was a slightly abbreviated season, we picked up about 20 more kids this year playing sports with us. This requires lots of volunteers and coaches who help make this program a huge success. The Board of Directors would like to thank all of the coaches and volunteers who make our sports program a success. A big shout out goes to Shawn and Betsy Coots for leading the way.

Than Covid19 hit and with the Governors mandates, we had to basically shut our doors. All our fundraising efforts have been sidelined for now. As soon as these mandates are lifted, we will be excited to jump back into a busy scene at the Community Center. With everyone's help we will be very successful.

Our list of activities will be increasing and we want to keep our community center an active and thriving place for all to enjoy. We are always looking for new ideas and offerings as well as volunteers. Please join us in saving and continuing to offer our communities a safe and active center for all, your support is vital to our success.

Respectfully submitted

Robin McNeil
President
Irving Tanning Community Center
938-4579

GMLA Annual Report to Hartland, ME 2021

It is my pleasure to provide the citizens of Hartland with the Great Moose Lake Association's Annual update. As a 501c3 the GMLA is **a community organization of homeowners, families, friends, business members and community organizations with a mission to Preserve, Protect and Enhance our lake for current and future generations.** Of particular focus is monitoring water quality as well as providing education for our Association members and the greater community about how to maintain/improve our lake's water quality.

Over the past thirty-three years the focus has remained the same despite the many challenges and changes that exist in and around Maine's lakes. **Some challenges of particular concern are - invasive plant species, introduction of different fish species and runoff sediment from large rainfalls etc.** Fortunately the Association has utilized different strategies to mitigate most of these issues. We **typically** secure the services of a water quality firm to utilize data collected by summer resident and Association member Rich Woodbury to determine water clarity. The same firm **typically** completes on-site inspections for invasive plant species. These two methods of monitoring water quality **have provided** an annual as well as a longitudinal study of changes to water quality. **Because of COVID-19 the firm was not able to perform the assessment this summer/fall. However, Rich Woodbury was still able to collect water clarity data. He reported that the results of this year's testing, indicate that the lake's water clarity is similar to past years.** This is good news when compared with several of Maine's lakes who have experienced the introduction and growth of the invasive plant species, milfoil.

It is the hope of the Association that by keeping you and our greater membership informed on each of these water quality matters that the lake continues to be the town's most beautiful asset and one of the economic drivers of our town's economy.

The GMLA provided **two grants** to assist with ditching and maintaining roads around the lake to minimize runoff. **The NORTHEAST COVE ROAD ASSOCIATION (NCRA) received a significant GMLA grant to pay for riprap in connection with repairs made to an old RR trestle and the road over Goodwin Brook. Other grant funds were provided to address serious runoff issues on Bunker Lane. The GMLA thanks the Northeast Cove Road Association and the Bunker Lane applicant for addressing issues that would have negatively impacted the water quality of the lake.**

Annual Great Moose Lake Association meeting

Our usual GMLA picnic meeting was not held because of COVID-19. However, a virtual meeting was conducted via FaceBook live on July 18, 2020. This provided the opportunity to share activities of the Board and conduct the necessary business of the Association. Thanks to the many members who voted via FaceBook or email.

It is our hope that the Association will be able to hold the Annual Business Meeting/picnic this year on the third weekend of July. (July 17, 2021). We will keep you posted.

4th of July Boat Parade

MaryKate Scott Cianchette and Charlie Cianchette have generously continued to organize and lead the annual boat parade **in recognition of the Lake's rich history of the Wild Goose Club's "Gosling Regatta"**. The boat parade, held on the 4th of July, was a terrific success. The boater attendance was arguably the largest ever. The winner of this year's boat parade was the Wheeler family. They had matching red, white and blue outfits and were broadcasting patriotic music. We hope to continue this annual tradition and invite the community to join us on the lake for our Boat Parade on the 4th of July with a 3pm start. **Many boaters decorate their boats and the parade can be enjoyed on the water and from the shore.** Each year the starting location and route are changed. Details are posted on our Facebook site and in our newsletter.

Ice Fishing Derby

We hope the GMLA fishing derby will be able to be held this year and that the community will join us annually for our ice fishing derby. **The 2020 derby was held on February 23-24 with prizes in each of several fish species categories and a children's only category for the most yellow perch.** Details are posted on our Facebook site and in our e-alerts and in posters around town. Randy Lary is a great organizer of this event and we all appreciate his hard work that makes it so successful. We also appreciate the many sponsors from around the Great Moose Lake area that support this derby. **Proceeds go to our fish stocking program.**

Safety and Education Programs

The GMLA supports education and safety programs around the lake. The Association continues to educate fisherman on the use and adverse impact of rubber worms used in fishing that have harmed our lake fish and birds. We provide and maintain Great Moose Lake signs on roads leading into Hartland, and promote safe boating and wildlife safety around the lake. This year in particular we witnessed a very busy boating season. We are always interested to hear from the community on future education efforts that will help protect and preserve the lake.

Communications Program

Our communications program includes an active Facebook page with lively discussions and lovely photographs; an annual paper newsletter mailed to members and widely distributed in the community with information, stories and news about the lake. **We very much appreciate the support of our advertisers for our paper newsletter and hope that our community thanks and supports these businesses listed in our Newsletter.**

Financial Support

Our annual budget is approximately \$8,000-\$10,000 depending on our programs, and funding of erosion control projects. Funds come from **member contributions “thank you to all our members”** (annual membership of \$25), **business support** through donations and purchase of advertising in our newsletter. **The Town of Hartland that has generously supported the GMLA with \$3,000 annually. Additionally, the Association procures and sells a variety of Great Moose Lake items ie. shirts, hats, sweatshirts, mugs, maps etc. We thank the town and our members and friends for their support.**

We have 11 active and engaged board members.

Mike Gallagher (President), Rich Abramson (Vice President), Heather Bisson (Treasurer), Janet Woodbury (Secretary), MaryKate Scott Cianchette (Past President), Claire Ganter (Merchandise), John Hikel, Brenda Jordan, Randy Lary, Steve Seekins, Brian Bouchard.

We are always seeking new board members and volunteers to help with our annual meeting, water testing, merchandise, communications and other jobs. We interact with several other organizations around the state with an interest in protecting lakes and advancing the capabilities of boards of Lake Associations.

Please feel free to contact a GMLA board member, or Mike Gallagher the President of the GMLA (mgallag1953@gmail.com), message us on Facebook or send a note to PO Box 555 Hartland ME 04943 with your comments or suggestions for The Great Moose Lake Association.

Respectfully submitted

Michael A. Gallagher

President GMLA

January 2021

TRI-TOWN FOOD CUPBOARD

REPORT TO THE TOWN of HARTLAND

January 2021

Tri-Town food Cupboard like the rest of you has had a very different year. Due to the virus our operations have been much different. No more than 5 volunteers can work at a time. Everything is disinfected including the carts, hand sanitizer is available, masks must be worn and only one person can come in at a time. Because of this we ask that people wait in their cars and only come in when called. This is different than when people were able to come inside to wait their turn.

Our board of directors consists of citizens of the four towns we serve, as do the volunteers. We wouldn't be able to do this work without these people who give freely of their time. Many of the volunteers go South in the winter but we have been able to continue to give great customer service.

The generosity of area groups and individuals allow us to keep our shelves stocked. TTFC is very fortunate in that the donations have been enough to enable us to give out healthy food to those who need it. TTFC continues to be open every Wednesday from 9:30 to 11:30.

Because of very generous donations and grants TTFC was able to buy and install a large generator. We have many freezers and refrigerators; without the generator we could have a disaster if power was lost for any length of time.

We thank the Town for its continued support of this program.

Sincerely,

Judy Alton, Pres.

Hartland Public Library
16 Mill St.
Hartland, ME 04943
207-938-4702

It has been a strange year and it has been a tough year for many but we are still here and we are still serving people of Hartland and St. Albans in the ways that we can. We are proud to serve you and we will get through these tough times together. Thank you to those who hung in with us and continue to hang in with us. We cannot wait until we can return to running the library at full capacity.

As with previous years we continue to see an increase in new patrons who use the library despite the pandemic and invite all of you to take advantage of this service. We strive to be a community library and that takes all of us working together to make the library better. One of the biggest services we continue to provide is free Wi-Fi, which is still unavailable for many people in rural Maine except for our public libraries. This will have increasing importance as everything from job applications to taxes are becoming online only, especially this year as the pandemic forced us to close to the public for several months. We are also more than happy to help anyone with computer help whether it be basic communication or writing a resume. The pandemic has forced us to be creative with how we provide for our patrons and we are able to do this with your continued support and patronage.

We continue to grow and cultivate our collection, the largest growing sections of the collection this year have been DVDs, Christian Fiction, and Adult Fiction. The events of this year have increased our push for people to use their online accounts to directly request items not only from us but also from other participants in the ILL program within Maine Balsam Libraries, the consortium of public, school, college, and special libraries to which we belong. Though we have needed a considerable amount to make space for new items, we still boast a collection of over 34,000 books, movies, cds, and audiobooks. In addition, we continue to participate in the statewide interlibrary loan (ILL) service which allows our patrons to access millions of items from hundreds of libraries throughout the state at no additional cost, made easier with the van delivery service provided by the state. Though the events of this year stalled our full participation in the statewide ILL service we are still working toward that. Our patrons use this service quite often and we have lots of traffic in and out of our library so this should only improve our ILL services. We also participate in the Maine InfoNet cloudLibrary which allows patrons to download eBooks and audiobooks from anywhere as long as they have their card number. They were able to add several new collections because of the pandemic, including a collection that is always available and has no limits on concurrent uses.

Summer Reading Program was a bit different this year as we had to switch to a virtual model at the last minute, thanks to subscriptions to Beanstack and a professional Zoom account through the Maine State Library. Kids that participated were able to write poetry with local author Bette Stevens, make art with Johanna Sorensen, create a song in honor of Hartland's Bicentennial with Tim Rowe, explored the science of color with the Maine Discovery Museum and guessed Hartland Trivia with Jen Mabee. Our weekly story times went virtual in March and all those videos are still on our Facebook page for people to watch at their leisure. In addition we have videos of Lego Time where I took requests from our young patrons and built them live while I rambled on about my own history of Lego building. The monthly book group is also continuing online with use of our Zoom account. Covid also brought us a partnership with the Newport Cultural Center, Pittsfield Public Library, the Skowhegan

Public Library, and Thompson Free Library in Dover Foxcroft to create the Heart of Maine Stories digital archive at <https://heartofmaine.omeka.net/> where people can submit tales, pictures or creative works related to how they are dealing with the pandemic, how historical emergencies have helped during the pandemic, or just life here in general. Residents can submit their stories directly on the site or send them to me or one of the librarians involved with the project.

Community members are encouraged to join the Friends of Hartland Public Library. These are dedicated community members, many of whom are from St. Albans, who work with us to provide programs, such as the wildly successful travel talks, and other services including the Maine State Parks Pass which gives you free entry to parks all over the State. The Hartland Public Library and the Friends of the Library co-sponsored the construction of a Little Free Library to commemorate Hartland's bicentennial in 2020. The Friends are also sponsoring future Author Talks and Kids Crafts (which are currently on hold but will be replaced with a virtual program starting in November until we can safely bring people in for programs.)

While physical donations of books and DVDs are currently on hold we will accept them in the future. The major source of most of our media purchases is the reselling of donated books and movies. We also receive donations from Amazon Smile, if you make a purchase from Amazon please consider doing so through smile.amazon.com and select Hartland Public Library as the recipient and we will receive a small portion of the profits as a donation. A little bit goes a long way. We will accept monetary donations and anyone who donates \$100 or more to the library will get a leaf on our giving tree with their name or the name of their choice. We are currently in the midst of planning a new library at the site of the old Hartland Consolidated school where we will be working closely with the Irving Tannery Community Center and KVCAP, any donations toward this project will be appreciated.

We are still here, we are still working for you, and we will get back to normal together. It has been a joy to serve the communities of St. Albans and Hartland over the last 6 years. Please visit the library and see for yourselves the benefits and joy we are able to provide with your continued support. Please visit our Facebook page for recent happenings and updates on our open schedule and check out our Instagram, [hartlandpubliclibrary](https://www.instagram.com/hartlandpubliclibrary). As always, thanks to our Friends of the Library member Liz Vezina updates will also be found on our website [hartlandpubliclibrary.org](https://www.hartlandpubliclibrary.org).

I would also like to take a moment to thank everyone who works for the town of Hartland for everything they do for us. We wouldn't have been able to continue to operate without them.

Sincerely,
Nicholas R. Berry, MLIS
Director
Hartland Public Library

SMOKEY'S ANGELS SNOWMOBILE CLUB, INC

2020 was quite the year for the lack of snow for the last part of the winter and the Covid-19. We had started off the season with some snow but had to quit dragging early part of 2020 because of lack of snow. We also didn't have a meeting until December as the Library closed down for meetings and the CDC guidelines to follow. We started meeting at the Littlefield's camp on Great Moose Drive where we have been following all the CDC guidelines. Hopefully will be back to meeting at the Library soon. If you want to attend a meeting please check to see where it is being held. As of when I am writing this report the volunteers have gone out and dragged what snow we have and are told the trails are wonderful to ride on. Our thanks to those who are able to do this. When you get on your sled to ride please remember the few who do this so you can. I know there are many who do not belong to a club but enjoy our trails. This we do for everybody and would appreciate you joining a club and give any time you could to help with trail maintenance, dragging etc. This they do without pay and are tired as they all work full time jobs. Without their efforts we would have no trails to ride on and I hope when you are riding on our trails you ride them with respect and remember the hours they put in for all of us to enjoy our ride. If you see any of our members on the trail please stop and tell them how much you appreciate all their hard work. I know this was done when the new trail was being completed and a donation was made. I know that Matt has put a lot of time into a video on face book about dragging out trails and it has been viewed by many people and he has gotten either new members or dual members to join our club. We certainly are thankful again for how our members give of themselves for our club. The company that bought Plum Creek is wooding in some areas again this year especially from Brown's corner to Elmer Littlefield's. Please read all signs as to where you can or can't ride on their trails. Always remember it is a privilege to be able to ride on other people's land so please stay on marked trails. Without them letting us use their land there would be no trails to ride on and no club. Please never take this for granted. There has been a change to the trail in the Burrill woods that is ITS 84. There was a bridge that kept flooding and now a new trail has been made away from the water. Thanks to Matt, Artie and the crew for doing this. Artie had equipment and got it moved and got the job done. Our members are wonderful. . It is a never ending chore. A lot of work has been done on the trail system wherever needed. We would like to thank the ATV club again for all their help. We share many trails with them and by working with them it makes for a better trails system for all to enjoy. Our thanks to all our members who belong to both clubs. We have had our trails inspected again this year and got great remarks. We try to keep everything marked good but if anyone sees something that needs further marking please let a member of the club know so it can be fixed. Our thanks to those who do all the paperwork for the grants we receive each year. We are eligible for a municipal grant again this year and thanks to those worked on this. We certainly need them to help keep us existing. We were pleased that Harvey Chesley had kept in contact with us about Camp Capella and we made a donation of \$500.00 from the club to Camp Capella again this year. We do have Facebook page and hope you will check it out. We want to thank the Town of Hartland for sending the club the snowmobile reimbursement check from people who register machines. We again at Christmas time donated \$200.00 each to the Hartland Library and the Hartland and Canaan Food Cupboards. The Margaret Chase Smith scholarship applications are available to any graduating senior whose family has been a member of the club for 2 years as of January 1, 2021. The selected student or students will be awarded a \$250.00 scholarship payable at the beginning of their second semester. The application can be obtained by contacting Irene Robbins at 938-4843. Still working on the idea for new map for our trail system. The ones we have now are very outdated. Again we urge anyone who owns a snowmobile and enjoys riding our trails in our area to join your local club. We always are thankful for our members who always rejoin and the many who send extra money as a donation for our club. Remember, if there is no club there are no trails to ride on. So if you have not renewed your membership for this year or perhaps you have not join for a few years please do as we certainly want you as a member and to attend our meetings as we very much want to hear from you as your input is very important to us. We meet the first Tuesday of each month except the months of June, July and August at the Hartland Public Library at 7:00 pm. Our November meeting is the second Tuesday because of voting. You don't have to own a machine or ride our trails to attend our meetings. We welcome you. As I have said before it takes a lot of volunteers to keep our trails in good shape and if you can donate any time please call one of our trail masters. Elwin Littlefield at 938-4905 or Artie Burrill at 938-4762 they would certainly appreciate your help. Remember safety is our number one priority in riding a snowmobile. Always ride to the right, keep your speed down and ride safely.

Respectfully Submitted,

Irene Dolly Robbins Sec.

FirstPark 2020 Highlights

Following are highlights of the Kennebec Regional Development Authority for the calendar year ending December 31, 2020:

- KRDA/FirstPark's final bond payment of \$256,722.81 to the Maine Municipal Bond Bank was paid October 21.
- KRDA signed a real estate listing agreement in July for FirstPark to be represented by SVN Commercial Real Estate, an international brokerage. SVN's Portland and Chicago offices co-represent FirstPark.
- A purchase and sale agreement was signed December 22 for Lot 4 on Technology Drive. The lot is a 10.4 acre site that will be home to an eye doctor practice.
- Over 100,000SF of existing office space sold in FirstPark during 2020. The T-Mobile building at 133 FirstPark Drive sold in April to JB Brown for \$10.7 million; an office condo at 25A FirstPark Drive sold for \$685,000 in May; and the 46 FirstPark Drive office building sold for \$1.9 million in November.
- KRDA/FirstPark was featured more than a dozen times throughout the year by MaineBiz, the Morning Sentinel, WABI-TV, Greenlight Maine and the PR Maven podcast. The heightened exposure generated thousands of hits on the firstpark.com website and our Facebook, YouTube and LinkedIn social media pages.
- To improve communication with our member communities, we launched a monthly update "What's Developing in FirstPark" that can be viewed on our YouTube channel.
- In January in-person Executive Director Jim Dinkle met with site selectors and corporate real estate executives in Chicago to present FirstPark. In November and December, Jim did a series of Zoom calls with real estate and site professionals in Dallas. The result will be a Fall 2021 event to host interested real estate and site location decision makers to visit FirstPark and further introduce them to central Maine.

KRDA - Net Equity \$000
Fiscal Year Ended June 30

KRDA - Total Debt \$000
Fiscal Year Ended June 30

In November 2020 the last payment on the 20 year bond will be made.

KRDA - Net Assets \$000
Fiscal Year Ended June 30

Jared Golden
Congress of the United States
2nd District of Maine

Dear Friends,

I hope this letter finds you safe and well. I know that this year has been challenging for many of our communities. In the midst of these challenges, it remains a privilege to represent you, and I appreciate the opportunity to update you on what I have been working on in Congress for the people of the Second Congressional District.

The coronavirus pandemic has made this year an especially difficult one. We've seen the struggles of small businesses, workers and families, hospitals, and states and towns. COVID-19 has been a serious threat to public health that requires a comprehensive, ongoing response. In March, Congress passed the largest of three bipartisan pieces of relief legislation, the *Coronavirus Aid, Relief, and Economic Security (CARES) Act*. The *CARES Act* was a \$2 trillion economic relief package to provide immediate assistance for some of those hit hardest by the pandemic. While an important start, many of the programs and benefits created by the *CARES Act* were set to expire by the end of 2020 at a time when COVID-19 cases were on the rise. That's why in late December, Congress passed another bipartisan bill to provide COVID-19 relief to small businesses and hospitals, the unemployed, and families struggling to put food on the table. However, the action Congress took at the end of 2020 cannot distract from its failure to act sooner. The unwillingness of many members of Congress to accept compromise throughout the fall left many Mainers struggling and led to a rushed process that produced a bill with serious flaws. In 2021, Congress needs to step up, come together, and lead the country through this pandemic and get our economy back on track.

There are a few bright spots that came out of the work done by Congress this year. As a member of the House Armed Services Committee, I helped advocate for a national defense bill that would include important priorities for American national security, Maine shipbuilders, and servicemembers and their families. The legislation authorizes a new DDG-51 Arleigh Burke-class destroyer to be constructed at Bath Iron Works and helps BIW compete for new work by encouraging a new multi-year procurement process for the DDG-51 Flight III. This funding bill also makes permanent new federal guidelines proposed by Senator King and me to allow Gold Star Families free admission to national parks and other federal lands.

I've been working to improve mental health services for veterans for years, and I led the Maine delegation's effort to address the need for long-term mental health substance abuse treatment for veterans in our state. This past fall the Veterans Administration announced we were successful. Construction starts next year on a new, 24-bed facility at Togus that will ensure Maine veterans won't be sent out of state to receive residential care for substance use disorder and associated mental health issues. This is one result that I am especially proud to deliver for my fellow Maine veterans.

As I reflect upon what I am most grateful for this year, I am especially glad to be able to share that my wife Izzy and I are expecting a baby in 2021. We are excited about this new addition to our family and look forward to the blessings ahead.

This period is challenging for Mainers as we all take steps to limit the spread of the coronavirus, protect our families and our communities, and lean on each other to withstand this pandemic and economic hardship. My staff and I stand ready to assist Mainers as we work through these challenges together. I look forward to continuing to work on your behalf in 2021.

Respectfully,

A handwritten signature in black ink that reads "Jared Golden".

Jared Golden
Member of Congress

Janet T. Mills
GOVERNOR

STATE OF MAINE
OFFICE OF THE GOVERNOR
1 STATE HOUSE STATION
AUGUSTA, MAINE
04333-0001

Dear Friends:

When I took the oath of office as Maine's 75th governor, I never imagined that we would face a deadly pandemic. But that is our reality, and it is my responsibility to guide our state through this time, to keep Maine people safe and healthy, and to put our economy on a path to recovery.

COVID-19 has wreaked havoc on our national economy, dealing heavy losses to businesses of all sizes, and leaving millions of people unemployed. Here in Maine it has taken the lives of hundreds of people and sickened many more. Since the arrival of the first vaccines in December 2020, we have been working to get as many shots into the arms of Maine people as quickly and efficiently as possible.

While our spirits are lifted and we share in a collective sense of relief, particularly for frontline health care workers who are exhausted and have been working around the clock to save lives, it will take months to administer the vaccine to all Maine people and we must keep our guard up. In the coming months, I look forward to working with you in fully opening our schools and businesses across the state. We will hasten our state's recovery if we wear our masks, watch our distance, avoid gatherings, and wash our hands.

My Administration, in collaboration with public health experts and business leaders across the state, developed a plan to gradually and safely restart Maine's economy. We also formed an Economic Recovery Committee charged with assessing the economic impacts of the pandemic on Maine's economy and providing recommendations for policy changes to deal with these impacts. Together, drawing on the hard work and resilience of Maine people, we will rebuild and strengthen our economy and rise from this unprecedented challenge to be a stronger, better state than ever.

I continue to be amazed by the strength and courage of the Maine people and businesses who have found different ways to do business and the brave first responders in your town and in our health care facilities. Thank you to the people of Maine who have demonstrated patience, kindness, and compassion during this difficult time.

Please take care,

Janet T. Mills
Governor

P.S. For the latest information and guidance on Maine's response to COVID-19, as well as resources for assistance during this time, please visit www.maine.gov/covid19/.

February 2021

Town of Hartland
P.O. Box 280
Hartland, ME 04943

Dear Friends and Neighbors,

It has been a pleasure to serve the residents of House District 105 in the Maine Legislature. I am honored that you have entrusted me again with this responsibility.

Due to the COVID-19 pandemic, the second session of the 129th Legislature adjourned *Sine Die* on March 17, 2020. We opened the 130th Legislature on December 2nd and in an effort to ensure compliance with Governor Mills executive orders, the *Swearing In* was held at the Augusta Civic Center instead of the chambers in the State House.

This session I've been elected by my peers to serve as the Assistant Minority Leader in the Maine House of Representatives. Our biggest priority is addressing the next biennial budget with which we're facing an impending budget shortfall of nearly \$1 billion over the next three years. Difficult decisions will have to be made for prioritizing resources to make ends meet.

I encourage you to actively participate in your state government. Phone calls and letters are always a welcome avenue for providing feedback. This session, with the increased utilization in remote meetings and hearings, happenings in Augusta are now even more accessible. Using the homepage of the Maine Legislature: **Legislature.Maine.Gov**, you will find access to Zoom meetings, public hearings, and YouTube videos providing updates on the latest at our State Capitol.

To join my weekly eNewsletter featuring current state news, please contact me at Joel.Stetkis@legislature.maine.gov and I will happily add you to my distribution.

Again, thank you for giving me the honor of serving you in Augusta and may you all have a safe and healthy 2021.

Sincerely,

A handwritten signature in cursive script that reads 'Joel R. Stetkis'.

Dear Friends:

It is an honor to represent Maine in the United States Senate. I am grateful for the trust the people of our State have placed in me and welcome this opportunity to reflect on 2020, an incredibly challenging year for Maine families, small businesses, and communities.

When the pandemic struck, our country faced the specter of an overwhelmed health care system and devastation to our small businesses and the millions of people they employ. I immediately worked with Republicans and Democrats to pass multiple laws allocating approximately \$3 trillion to respond to this public health and economic crisis, including more than \$8 billion directed to Maine to support testing, schools, the economy, and other purposes — that is nearly double Maine’s annual state budget.

I am especially proud of the bipartisan Paycheck Protection Program (PPP) I co-authored. This program has provided three out of four Maine small businesses with nearly \$2.3 billion in forgivable loans, which has helped sustain more than 250,000 Maine jobs. I have met thousands of Maine small employers and employees in all 16 counties who are surviving because of the PPP. As one small business owner told me, the PPP provided “exactly what we needed at exactly the right time.” The PPP also allowed employers to maintain benefits, such as health care, during this challenging time. Another round of PPP is needed to sustain small businesses and their employees.

While the pandemic continues across Maine, our nation, and the world, I thank the first responders, health care professionals, teachers, grocery store employees, factory workers, farmers, truck drivers, postal employees, and so many others who continue to stay on the job during this difficult time. With the deployment of the first vaccines, better tests, and the incredible speed with which these life-saving responses were developed, I am hopeful we can emerge from this crisis in the next few months.

While providing relief to American families was my focus throughout 2020, other accomplishments include the passage of the Great American Outdoors Act, which provides full funding of the Land and Water Conservation Fund and addresses the maintenance backlog at our national parks, forests, and wildlife refuges. As Chairman of the Transportation Appropriations Subcommittee, in 2020 alone, I secured \$132 million to improve Maine’s roads, bridges, airports, buses, rail, ferries, and seaports. Finally, as Chairman of the Aging Committee, I led the reauthorization of the Older Americans Act, which funds programs that improve the well-being, independence, and health of our nation’s seniors and their caregivers, and I authored laws to reduce the cost of prescription drugs and protect individuals with Alzheimer’s disease.

As the end of 2020 is approaching, I have cast more than 7,535 votes, never having missed one. In the New Year, my focus remains to work with colleagues to find common ground on policies to help support the health and safety of Mainers and the safe, responsible opening of our communities. If ever I or my staff can be of assistance to you, please do not hesitate to contact one of my state offices. May the coming year be a successful one for you, your family, your community, and our state.

Sincerely,

Susan M. Collins
United States Senator

Paul T. Davis, Sr.
Senator, District 4

130th MAINE SENATE

3 State House Station
Augusta, ME 04333

A message from Senator Paul T. Davis, Sr.

Dear Friends and Neighbors:

Let me begin by thanking you for allowing me the honor of serving you in the Maine Senate. I am grateful that you have put your trust in me and can assure you I will continue to work tirelessly on your behalf.

As you are no doubt aware, Maine is in the midst of the one of its greatest difficulties, both in public health and economic downturn. The 130th Maine Legislature faces the challenge posed by a \$1.4 billion budget shortfall, and perhaps more than ever before, state government must learn to live within its means.

As we move through the Legislative session I will be mindful of this and will do my best to hold the line on any new taxes or unneeded borrowing. Like you and your family, state government must tighten its belt in slow economic times and make the difficult, but necessary decisions that will allow us to weather the storm.

At the same time, it is very important that we restore a sense of balance in state government where both the Governor and the Legislature work together on behalf of you, our constituents. This is even more important given the unusual nature of how and where this Legislature will meet, given the safety considerations required by the global pandemic. However the legislative process plays out, it is imperative that the public continue to have access to and play a critical role in the work of the Legislature. These will be a few of my priorities this coming year.

In addition to being before various committees as I present legislation, I will be serving on the Legislature's Appropriations and Financial Affairs committee, which deals directly with the state budget.

Again, thank you for electing me to serve you in the State Senate. The 130th Legislature certainly has a great deal of work to do, but I believe that if we come together, there is nothing we can't accomplish. Please feel free to contact me at 287-1505 or paul.davis@legislature.maine.gov if you have comments, questions or if you would like assistance in navigating our state's bureaucracy.

Sincerely,

A handwritten signature in cursive script that reads "Paul T. Davis, Sr.".

RULES AND ADMINISTRATION

January 1, 2021

Dear Friends,

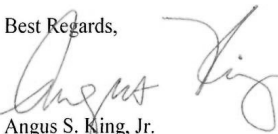

2020 was a year unlike any in our lifetimes. Our state and nation dealt with unprecedented challenges--the coronavirus pandemic, ensuing economic fallout, and a prolonged, heavily divisive campaign season each took a significant toll on all of us. The worst part? In order to protect each other, we had to face these challenges in isolation. But a new year represents new possibilities; a chance to take stock of what we're grateful for and focus on the opportunities in front of us. As we reflect back on 2020, we will remember heartbreak and loss -- but we cannot forget the shining rays of hope that broke through the darkness, reminding us all that better days are ahead.

Throughout the pandemic, my top focus has been on bridging the partisan divide in Washington in order to deliver desperately-needed relief for Maine people. Joined by colleagues last March, we pushed for bipartisan negotiations to produce a strong bill that helped fellow Mainers, businesses, and institutions weather this storm. In the weeks and months after the *CARES Act* passed, our team stayed in close contact with people throughout the state to determine how we should adjust our response to best support our citizens. Unfortunately, the aid provided by the *CARES Act* lapsed without Congressional action, leaving too many families and businesses in limbo. I never stopped pushing for a bipartisan relief bill and, after extensive negotiations, we ended the year on a good note by breaking the gridlock and passing new relief legislation. This new bill isn't perfect; in fact, it should just be the start our renewed response. As we enter 2021 with a new administration and new Congress, we must fight for additional legislation to help restore stability to our working families and rebuild our economy and public health infrastructure.

In the midst of this crisis, Congress did manage to accomplish a few successes that will outlast this awful pandemic. Among these was the *Great American Outdoors Act*, a bipartisan bill which was enacted into law in August 2020 and will help address a \$12 billion backlog at our national parks so future generations of Americans can enjoy these beautiful lands and create lifelong memories. Also, as we learn more about the recent hacks of our nation's networks, there is help on the way: 27 of the cybersecurity recommendations made by the Cyberspace Solarium Commission -- which I co-chair with Republican Congressman Mike Gallagher-- made it into this year's defense bill. While there is no guarantee that these provisions would have prevented the massive hack, they will certainly improve our cyber defenses.

Despite the challenges, I'm hopeful for the future. Vaccines are being distributed across our state -- starting with our healthcare heroes, who have sacrificed so much throughout this unprecedented catastrophe and deserve our eternal gratitude. If there can be a silver lining from these challenges of 2020, maybe it will be this: I hope that, in the not-so distant future, we will be able to come together physically and we will be reminded of our love for each other. We have differences, without a doubt. But as Maine people stepped up to support each other, we saw again and again that our differences pale in comparison to the values we share. We are one state, and one community -- and there is nothing we cannot or will not do for each other. Mary and I wish you a happy and healthy 2021. We can't wait to see you soon.

Best Regards,

Angus S. King, Jr.
United States Senator

Integrity Respect Fairness Dedication
SOMERSET COUNTY SHERIFF'S OFFICE

2020 Sheriff's Office Annual Report

Dale P. Lancaster
Sheriff

As your Sheriff, it continues to be an honor and privilege to serve the residents of Somerset County. The men and women of the Somerset County Sheriff's Office are dedicated to protecting life and property. The Office of the Sheriff oversees the operations of the County Jail, law enforcement, court security, and civil process. Somerset County is approximately 4,000 square miles. The County is comprised of 27 towns, 6 plantations, and 83 unorganized townships. I remain the 2nd Vice President of the Maine Sheriff's Association. I was also appointed to the Board of Directors for the New England State Police Information Network and Maine's Drug Enforcement Agency.

Covid-19 has had a direct impact on our enforcement, Courts, civil processing, and Jail. Considerable time and resources has been spent purchasing PPE gear and developing and implementing Covid-19 safety measures to protect Deputies and Corrections Officers. The service of civil paperwork was suspended for approximately 3 months. We stopped in-person visits at the Jail. We negotiated with our telephone provider to reduce costs so that inmates could stay in contact with their loved ones. Administrative staff worked remotely for a number of weeks. We are constantly re-evaluating and modifying our safety measures as the pandemic continues to affect our daily operations.

Law Enforcement

The patrol division is comprised of 11 rural patrol Deputies. Through funding from the State of Maine, we have one Deputy dedicated to patrolling the unorganized townships. The patrol division is overseen by a Lieutenant. The Detective division is comprised of three Detectives and is overseen by a Lieutenant. The Sheriff's Office continues to partner with MDEA (Maine Drug Enforcement Agency) to have an agent assigned to the Detective division.

The patrol division now has a trained drug recognition expert, a State certified accident reconstructionist, and 2 forensic mappers.

The Sheriff's Office has 4 Deputies assigned to Madison along with a Secretary/Dispatcher.

In 2020, the Sheriff's Office had 1 Deputy graduate from the Maine Criminal Justice Academy, Deputy Hunter Howard. Due to the Covid-19 pandemic, a portion of his training was done remotely, and it took a substantial amount of additional time for him to complete the course studies.

Throughout 2020, the Sheriff's Office Criminal Division investigated a large volume of illicit drug trafficking activities and obtained and executed numerous drug search warrants, which subsequently led to the arrest and conviction of numerous people from Maine and out of State on various Federal and State level drug trafficking charges. Large amounts of illicit drugs, to include heroin, fentanyl, crack cocaine, cocaine, crystal methamphetamine, and controlled pills were seized, along with thousands of dollars in illicit drug proceeds, several motor vehicles and firearms. The Criminal Division investigated numerous serious felony level cases to include robberies, burglaries, thefts, scams, aggravated assaults, unattended deaths and sexual abuse cases.

In 2020, the Crimes Against Persons Detective investigated 30 sex crimes. 13 of those cases involved child sexual abuse where forensic interviewing was utilized. Detective Jeremy Leal is a Children's Advocacy Center forensic interviewer. The Sheriff's Office Criminal Division tracked 54 individuals who are required by law to register as sex offenders, and 3 individuals were arrested for failing to register with the Sex Offender Registry.

Integrity Respect Fairness Dedication
SOMERSET COUNTY SHERIFF'S OFFICE

Jail

The Somerset County Jail, when operating at full capacity, operates with 36 budgeted Correctional Officers, 8 Shift Supervisors, 2 cooks, 12 program and support staff, and 9 administrative staff to include Major Cory Swope, who is the Jail Administrator.

- The County Jail is now 13 years old. We are projecting the Jail bond will be paid off in 2028.
- The County Jail is nationally accredited through the American Correctional Association and is operating under nationally accepted best practice standards. The County Jail is also PREA (Prison Rape Elimination Act) certified.
- In 2020, the Somerset County Jail processed 1,193 bookings, a 23.8% decrease from 2019.
- In 2020, a significant amount of time and resources has been dedicated to extensive modification of operations related to the Covid-19 pandemic.
- Our federal inmate boarding contract was renegotiated to include an increase in our per-day reimbursement rate to house federal inmates.
- Our partnership with Redington-Fairview General Hospital and their Rural Communities Opioid Response Planning grant consortium has led to Redington-Fairview General Hospital being awarded a 3-year implementation grant. Through this grant, the Jail will receive funding to contract for the services of a Case Manager to work specifically with our inmate population that identifies as having a substance use disorder in an effort to combat recidivism. The Case manager will work closely with Redington-Fairview General Hospital and other care providers to continue to provide treatment and programming initiated in the Jail for offenders after release.
- The County Jail continues to actively recruit qualified Corrections Officers to join our professional and dedicated team.

Civil Process

In 2020, the Somerset County Sheriff's Office Civil Deputies received 1,193 papers to process and serve. That is a 30% decrease from 2019.

Calls for Service

- In 2020, the Sheriff's Office received 14,521 calls for service from our residents. This represents a 3.8% decrease from 2019.
- During 2020, the Sheriff's Office responded to 681 calls for service from the Town of Hartland, which is a 21% decrease from 2019. These calls included 53 motor vehicle stops, 30 motor vehicle accidents, 20 complaints of harassment, 15 domestic disturbances, 21 calls requesting citizen assistance, as well as calls regarding burglary, theft, criminal threatening, assault, harassment, welfare checks, and other requests for police services.

The Somerset County Sheriff Office remains committed to our core values: INTEGRITY-RESPECT-FAIRNESS-DEDICATION.

Board of Selectmen
Town of Hartland

Dear Board members:

I am writing to you all regarding the audit report for the year ended June 30, 2020. As a result of timing, the report on the basic financial statements of the Town is not available for the Town report. The report on the basic financial statements for June 30, 2020 will be available at a later time at the Town office.

Yours truly,

Brantner Thibodeau & Associates

Brantner, Thibodeau & Associates
