

Emergency Selectman's Meeting Minutes
February 27, 2023
8 a.m.
Brewer Water Pollution Control Facility

Present: Jerry Martin, John Hikel, Mark Brooks

Staff: Chris Littlefield

Brewer Superintendent: Lou Colburn

Selectmen and Town Manager met with Lou Colburn about the potential of accepting Brewer Sludge in Hartland again. After several hours of discussion,

A motion was made to:

Allow 120 day trial with Brewer Sludge

Brewer must maintain an average of 22 percent solids rating monthly

Brewer to weigh and add potassium permanganate for odor control and add flow meters to their current set up

Brewer must agree to increase the percentage potassium permanganate per the request of the Town of Hartland

Brewer agrees to take no outside source leachate

Brewer agrees to provide monthly reporting of solids rate, weight of potassium permanganate, and flow rate reading to the Landfill Manager

Selectmen to sign agreement with City of Brewer

Town Manager to sign agreement with a contract hauler

Voted 3-0 accept

Motion to adjourn at 11:00 a.m. - voted 3-0 accept

Respectfully Submitted, *Chris Littlefield, Town Manager*
