TO THE CITIZENS OF HARTLAND

The Town Selectmen encourage you to consider registering your ideas and/or even submitting your name for consideration for a committee to assist the Select board with a “Downtown Revitalization Plan.”

As we begin this project, we ask for your input and we believe that if we all put our minds together that we could come up with a plan for our Downtown area that none of us could have ever envisioned on our own. Please submit your ideas either in person by dropping them off in writing at the Town Office or by email @ Hartlandadmin@gmail.com

If you would be willing to serve on a committee to advise the Selectman on ideas concerning our Downtown area please submit your name and a quick paragraph on why you believe you would be a good candidate for the committee at Hartlandadmin@com.

We plan to make selections and have the first committee meeting in the Spring of 2024.

Thank You for helping us move our town forward!
