RE: Hartland Landfill Acceptance of WWTP Sludge

Dear

The Hartland Landfill is owned and operated by the Town of Hartland and is licensed by the Maine Department of Environmental Protection (DEP), DEP #S-003463-WU-Q-N, to accept certain special waste materials for disposal.

We are licensed to accept _____ and have the ability and the capacity to accept the estimated _____ expected to be generated from your job in _____, Maine. The _____ in accordance with the landfill's Operations & Maintenance Manual and all State of Maine requirements.

If you have any questions regarding the delivery of the bio-solids to the landfill, please contact me at the phone number listed above or Chuck Applebee at 207-380-4261.

Sincerely,

Christopher Littlefield
