Town Office now has answering machine set up

Vault is still in progress

Concerns on rumors of a marijuana growing and dispensary going in at the Glass Eel, I stated that the Town's Moratorium was only good for 180 days from 5/15/2017. I brought the laws of licensing to meeting stating that the State of Maine has to notify the Municipality and the Municipality has to approve the license based on their current ordinances. Problem is that we have no ordinance to prevent this. Board of Selectman would like to see a few ordinances that other towns have put in place. Have a special Town Meeting to approve an ordinance to prevent this in the Town.
