

**Selectman's Meeting Minutes
Friday, June 29, 2018
Town Office, 1:00 pm**

Introductions

Lou Pizzuti, Kathy Tarbuck, Hadley Buker, Judy Alton, Shirley Humphrey, Paula and Earl Hughes, Amanda Wade, and Chris Littlefield

Landfill Relocation discussion: project complete

Lou discussed that Placement practices good by Crew

We need more cover material that is denser for the North End

Lou insisted that the odor issue will go away with heavier cover

Chris expressed that all things had been done that have been suggested by the

Consultant and the DEP and we have actually gone above and beyond landfill rules but still have odors

Amanda expressed 44,000 cubic yards of space left for phases 2 and 3

Continuous Odor Complaints: we need to continue to respond

Amanda did ambient air sampling and will share results soon...nothing alarming in the air sampling

Gas Monitoring: Lou to do some monitoring Monday July 2nd

Path Forward: Chris to create a schedule for covering north end; also fill stand pipes with wood chips and compost

Chris also to respond to Lou's requests from 6/21/18 communication

*Respectfully Submitted,
Chris Littlefield
Town Manager*
