Mark asked for Chris to contact Fame to make sure that Tasman has the right to sell them and about the Fire Suppression system. Shirley mention that Tasman put those in with grant money.

John commented on how good Fuller Corner Rd came out and still wants the roads posted with weight limits.

*John stated that the Memorial was fantastic and thank you to everyone that made this happen
Citizen was looking for Landfill account balance – put on next agenda*

Tim brought up putting everything out to bid as with the economy it will be very competitive. John agrees and Mark thinks the way Chris does it is fine but the board needs to see his back up. Put on next agenda to discuss a policy for bidding.
